

NJJS, which is a Jewelry online auction, is divided into three parts.

Part one

1. Preview
2. Absentee bid function (*named "Preset bid" in system*)

Preview

You are welcome to check out of items you are interested in, at NJHK Office or by internet. Generally, the function of "Absentee bid" has to be operating in the meantime.

Absentee bid

Setting bid price for your favorite one, especially you are unable to join the real-time bidding. In conclusion, system assist you to play auction atomically once any bid price you had submitted before deadline.

All of the items with absentee bid will appear on the page.

Summary of Preset Bid Products

How do I run the function?

Step 1: Input bid price (e.g. the pic shows: \$1000)

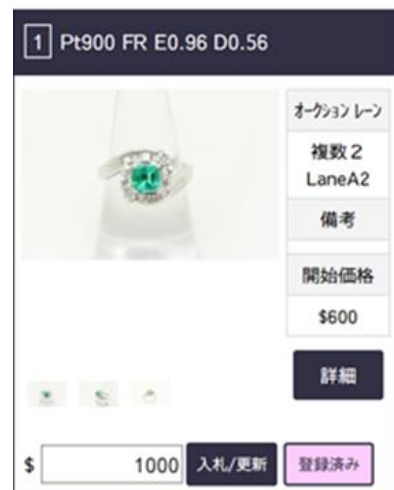

Step 2: click on the bottom in black color " 入札/更新"

How can I cancel absentee bid?

Input "0" into the block and repeat step 2 mentioned before

Remark!!!!

1. **Please complete adjustment of bid price on or before the auction day if you are in need.**

2. Priority of absentee bid in the situation that one of bidders set the price same as others', that will base on "**first-come, first-reserved**".

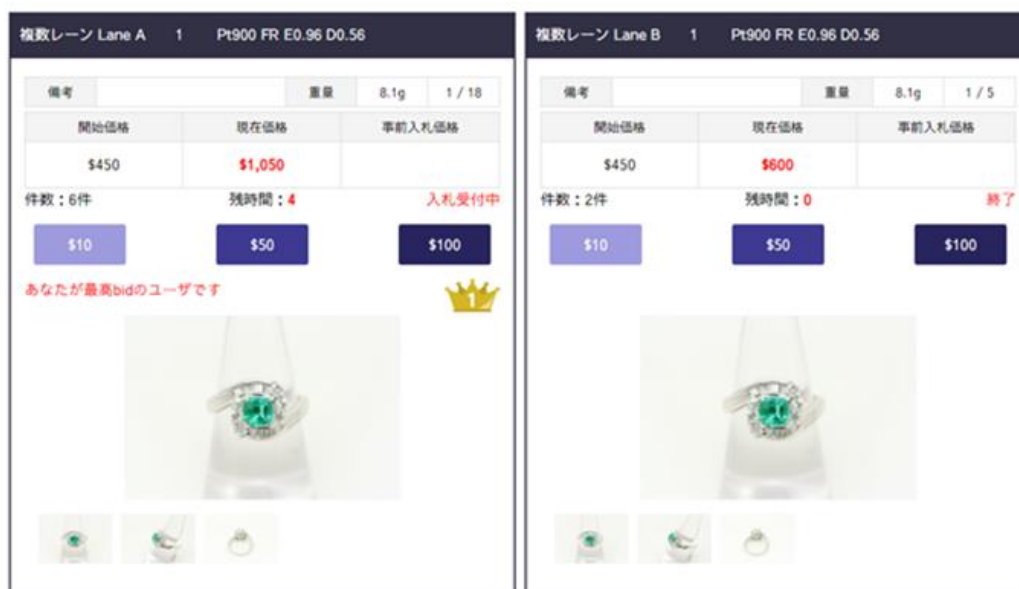

3. How does the system identify your absentee bid?

<i>Situation A - starting price is under \$999</i>	System requires there is at least \$10, \$50 or \$100, the difference between bid price and starting price.
<i>Situation B - starting price is higher than \$1000</i>	System requires there is at least \$50 or \$100, the difference between bid price and starting price.

For example, Emerald ring, let say the starting price is \$1000. Inputting \$1060 as the absentee bid, actually, that will be adjusted to be \$1050 by system at last.

Part two - Auction begins

Operation of real-time bidding

What does the logo of crown mean?

Situation A – <i>countdown finished</i>	You are the winner
Situation B – <i>countdown hasn't finished yet</i>	Your bid price is the highest

New bidding will start after 5 seconds, unless someone join the real-time bidding, and then countdown will be extended.

Part three – Payment

1. Cash with extra 0.25% service charge
2. Bank transfer (please contact us for the NJ bank account detail)
